

## Secret Phone Conversation

(Titkos telefonbeszélgetés)

“Agents. We were able to listen to a phone conversation between Vojtech “Dandy” Smetana and an unknown person from Eastern Europe. You need to listen to the conversation and fill in the missing gaps. When you have filled in the missing words, the sequence of letters highlighted in red will spell out the name of the next city to visit. Get to work....”

(„Ügynökök! Le tudtuk hallgatni egy Vojtech „Dandy” Smetana és egy ismeretlen kelet-európai személy közötti telefonbeszélgetést. Meg kell hallgatnotok a telefonbeszélgetést, és ki kell töltenetek a hiányzó részeket. Ha beírtátok a hiányzó szavakat a vörössel kiemelt betűk sorozata, kiadja annak a városnak a nevét, ahová ezután ellátogatunk. Lássatok munkához!”)

*Use the words below to fill the gaps in the phone conversation:*

**Vojtech:** Hi. It's Vojtech here. How are you?

Unknown Person: I'm fine **t** h\_ a\_ n\_ k\_ s\_ .Where are you?

**Vojtech:** I'm in London at the moment but I need to get away quickly. I lost one of my shoes and I think some people are following me.

**Unknown Person:** Ok. There is a flight already booked for you but maybe the airport is not safe. I also have a new mobile phone for you. You will get it when you arrive.

**Vojtech:** Fantastic. Well, perhaps I can cross over by \_b \_o **a** t\_ and then catch a bus or something?

**Unknown Person:** Yeah. Maybe that is a better idea. I will try to arrange for someone to pick you up from the landing port.

**Vojtech:** Great. Is everything in place for our next stop?

**Unknown Person:** Yes, everything is fine. We had some trouble with a \_p\_o [red] \_i\_c\_e\_o  
\_f\_f\_i\_c\_e\_r. We had to watch him and then some equipment broke, but now it has all  
been fixed.

**Vojtech:** That's great. How is the weather there? Do I need to buy some \_c [red] \_o\_t\_h\_e  
\_s?

**Unknown Person:** Yeah, to be honest, it was cold here at the weekend. I would suggest  
buying a \_b [red] \_g jumper and a warm coat. You should also buy some [red] \_e\_w shoes. Ha  
ha

**Vojtech:** Ok. Well, I am looking forward to seeing you soon.

**Unknown Person:** Me too. See you soon and we will meet for \_d\_i [red] \_n\_e\_r when you  
arrive.

**Vojtech:** Ok, sounds nice. Goodbye.

**The next city is: \_T\_a\_l\_l\_i\_n\_n**
