Hi Agents! You have to change the statements that are written about the suspect below into the negative form, and then write the true fact about the suspect. The first one has been completed for you. Once you have finished the first exercise, you need to continue on to the 2nd exercise underneath.

(Üdv Ügynökök! A lenti, gyanúsítottról szóló állításokat tagadó formába kell átírnok, és utána írjátok le a valódi tényeket a gyanúsítottról. Az elsőt megoldottuk nektek. Miután befejeztétek az első feladatot, az alatta lévő második feladattal kell folytatnotok.)

Exercise 1

1. **She has really long hair** > She doesn't have really long hair. She has short hair.
2. **She has blonde hair** > She doesn't have blonde hair. She has brown hair.
3. **She wears black shoes** > She doesn't wear black shoes. She wears white shoes.
4. **She wears trousers** > She doesn't wear trousers. She wears a skirt.
5. **She wears small glasses** > She doesn't wear small glasses. She wears big glasses.

Exercise 2

Now that you have completed the 1st exercise, you now need to find out where Greta is. In order to this, you need to find all the words in the word search below. The letters left over will spell out the place where Greta is... Quick, get to work:

(Most, hogy megoldottátok az első feladatot, ki kell derítenetek, hogy hol van Gréta. Ehhez meg kell találnotok az összes szót a lenti szókeresőben. A maradék betűk kiadják a helyet, ahol Gréta tartózkodik... Gyorsan, munkára:)
